

Most common asked questions over the Learning Module tool in Blackboard.

1. How do I navigate a learning module?

Learning modules contain related course content that is organized to specify a learning path. A learning path is meant to guide you through the content in order to help you achieve the learning module's objectives.

When you work with a learning module, you can navigate the content by using the table of contents or Action Menu. The Action Menu is located in the top right corner inside the learning module.

You can use the table of contents and click on the links to navigate through the module.

You can also use the action menu by clicking on the navigation buttons. (eg Next, Back, Print)

2. Can I take online notes in a learning module?

Yes you can, you can create one note per item in a learning module. Your notes are private and cannot be viewed by other members of the course. Any notes you create in a learning module are added to your notebook, which lets you create general notes. You can access your notebook by clicking the Notes icon from the Action Menu, or from the Course Menu's My Tools area.

3. How do I take online notes in a learning module?

1. From the item, in the Action Menu, click the Notes icon. The Notes pop-up window for the item appears.
2. In the Notes text box, enter your notes:
3. Click Save. The Notebook pop-up window appears with your general and learning module notes displayed.
4. Click close this window. The Notebook pop-up window closes.
5. To access this bookmark later within this learning module, click the  icon.

4. What is the Bookmark tool for and how do I use it?

The Bookmarks tool gives you the opportunity to note and gain quick access to important pages within Learning Modules.

Use the Bookmarks tool to create a link to pages within Learning Modules. The Bookmarks tool appears on the Action Menu. 

With the Bookmarks tool, you can:

- Add bookmarks, which are links to pages in a learning module.
- Add comments pertaining to each bookmark.
- Edit your comments.
- Delete bookmarks.

5. How do I add Bookmarks?

- From the Bookmarks screen, click Add Current Page. The Add Current Page pop-up window appears.
- In the Comments text box, enter your comments.
- Click Save. The Bookmarks screen appears and the bookmark is added.
- To access this bookmark later within this learning module, click the  icon.
