GUIDED PATHWAY: APPLIED ACCOUNTING (Certificate, AAS)**Business Management Department**For more information, visit www.laredo.edu/Applied and your academic advisor.

This is an example course sequence for students interested in pursuing a Bookkeeping/Accounting career. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an Associate of Applied Science (AAS) degree in Applied Accounting¹. For official degree requirements, [click here](#).

The AAS degree in Applied Accounting is designed to prepare students for various career opportunities in the bookkeeping and accounting industry. Emphasis is placed on computing, classifying, and recording numerical data to keep financial records complete. Perform any combination of routine calculating, posting, and verifying duties to obtain primary financial data for use in maintaining accounting records. May also check the accuracy of figures, calculations, and posting pertaining to business transactions recorded by other workers. This program is intended to provide a foundation on which the graduate can build a bookkeeping/ accounting career through expanded experiences and/or further education. Courses that are completed in Certificate I (C1) and Certificate II (C2) are courses that are found in the Applied Accounting Associate of Applied Science (AAS) Degree (D). Visit www.laredo.edu/pathways to view guided pathways created for students who complete an AAS degree and the options for transfer. Speak with an academic advisor at your college to choose courses that will help you to transfer to a specific university.

**COLLEGE READINESS REQUIREMENTS (only for the AAS)**

Enrolling in one or more courses may be necessary if assessment activities and previous academic experiences indicate a need for additional knowledge and skills:

Transfer Information

The Associate of Applied Science in Applied Accounting prepares students to directly enter the workforce; however, a Bachelor of Applied Arts and Sciences (BAAS) is an excellent alternative to the Bachelors in Business Administration degree. The Bachelor of Applied Arts and Sciences degree applies non-transferable courses and work experience towards the Bachelor's degree. You still must meet general education requirements and take upper level courses.

Transfer Guides: The universities listed here do not constitute a Laredo College endorsement. Transfer course evaluations and determination of which courses will count toward a Bachelor's degree are made by the receiving transfer institution.

Texas A&M International University: Offers a BAAS Degree in General Business, Logistics and Transportation and Management.

South Texas College: <http://www.SouthTexas.edu>

Additional Transfer Resources: Laredo College transfer website provides information on additional colleges & universities: <http://www.???>. Students are encouraged to consult with a faculty advisor, area of study advisor, and/or their chosen transfer institution to ensure courses taken at LC will apply toward their bachelor's degree program.
