

Associate of Arts Business Administration – Field of Study

A *Field of Study* (FOS) is a selection of lower-division courses that are guaranteed by state law to transfer and apply to a Bachelor's degree program at a Texas public university. Upon completion of the Texas common core curriculum (TCCC), additional degree requirements (ADR) if any, and the FOS courses, you will have met the requirements to graduate with an Associate of Science and will have completed all the lower-division courses for the Bachelor's degree program. This is true even if the institution you transfer to requires a different selection of lower-division courses for their own freshmen or sophomores, and even if the institution has prerequisites for their upper-division courses that are not included in the FOS.

TCCC	FOS	ADR	1 st Semester	SCH	Advising Notes
