

Education, Human & Protective Services**GUIDED PATHWAY: Homeland Security Studies (Certificate, AAS Degree)**For more information, visit www.laredo.edu/ and your academic advisor.

The AAS degree in Homeland Security Studies will create a foundational understanding of DHS and its core mission of protecting the nation while simultaneously ensuring safe and efficient travel and commerce. This program will help prepare students for future employment while creating an understanding of the various occupational elements contained within DHS. Specifically, this course will help prepare students for a career as an employee with the Federal Emergency Management Agency (FEMA), U.S. Border Patrol, Customs and Border Protection, Homeland Security Investigations, as an Intelligence Analyst, or any of the multiple administrative support positions needed to continue the homeland security mission.

This is an example course sequence for students interested in pursuing Associates of Applied Science in Homeland Security Studies. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an Associate of Applied Science (AAS) degree in Homeland Security Studies.

For official degree requirements, [click here](#). Visit [Career Pathways](#) to view guided pathways created for students who complete an AAS degree and the options for transfer. Speak with an academic advisor at your college to choose courses that will help you to transfer to a specific university

**COLLEGE READINESS REQUIREMENTS (only for the AAS)**

Enrolling in one or more courses may be necessary if assessment activities and previous academic experiences indicate a need for additional knowledge and skills:

READING & WRITING PLACEMENT**MATH PLACEMENT****ENGLISH LANGUAGE PROFICIENCY**TSI MET: **YES** NO

Bureau of Labor Statistics: [Home : Occupational Outlook Handbook: : U.S. Bureau of Labor Statistics](#)

Career Resources: Laredo College career services website provides information on career exploration and employment at

http://www.laredo.edu/cms/LCC/Student_Services/Student_Success_Center/Employment_Assistance_Service/Career_Preparation/. Students are encouraged to consult with their area of study advisor for additional career assistance. The above information is provided as a guide and reference tool for occupations related to this program. This is not a guarantee of job placement in any of these occupations after the successful completion of an LC program. The common job titles listed are representative titles and are provided for career research. These are not the only occupations possible in this area of study.

Transfer Information

The Associate of Applied Science in Homeland Security Studies prepares students to directly enter the workforce; however, a Bachelor of Applied Arts and Sciences (BAAS) or Bachelor of Science (BS) is an excellent alternative to complete (or exceed minimal standards of) the educational requirement for some positions within the Department of Homeland Security. You still must meet general education requirements and take upper-level courses.

Transfer Guides: The evaluation of transfer courses and the determination of which courses will apply toward a bachelor's degree are conducted by the receiving institution. At present, the Homeland Security Studies Program is not recognized for transfer credit by colleges or universities, as no formal articulation agreements have been established. Securing such agreements and expanding transfer opportunities will be a priority as the program continues to grow and evolve.

Additional Transfer Resources: Laredo College transfer website provides information on additional colleges & universities:

http://www.laredo.edu/cms/LCC/Student_Services/Student_Success_Center/Student_Success_Center_2018/Academic_Advising/WP2018_-_Transfer_Resources/. Students are encouraged to consult with a faculty advisor, area of study advisor, and/or their chosen transfer institution to ensure courses taken at LC will apply toward their bachelor's degree program.
