

**ASSOCIATE DEGREE NURSING (Transition Program)****GUIDED PATHWAY: REGISTERED NURSING**

For more information, visit [www.laredo.edu/](http://www.laredo.edu/) and your academic advisor.

Laredo College's Associate Degree Nursing Transition Program offers LVNs and Paramedics with an AAS degree a streamlined path to becoming Registered Nurses. Completed in just three semesters, the program builds on prior healthcare experience and prepares students for entry-level nursing roles in diverse settings such as acute, long-term, and primary care.

This is an example course sequence for students interested in pursuing an Associate of Applied Science in Nursing. It does not represent a contract, nor does it guarantee course availability. Following this pathway will help you earn an Associate of Applied Science (AAS) degree in Nursing<sup>1</sup>. For official degree requirements, [click here](#).

Visit [Career Pathways](#) to view guided pathways created for students who complete an AAS degree and the options for transfer. Speak with an academic advisor to choose courses that will help you [transfer](#) to a specific university.

**COLLEGE READINESS REQUIREMENTS (only for the AAS)**

Enrolling in one or more courses may be necessary if assessment activities and previous academic experiences indicate a need for additional knowledge and skills:
