

Transfer Timeline Spring (May) Graduates

Timeline may not apply to all students
and can be modified to meet individual needs.

January

- Apply for general admission to your future university via <https://goapplytexas.org/>.
- Order official LC transcript via PASPort. To order transcript, refer to our instructional video via the following link: [How to Order Official LC Transcript Online](#).
- Review your e-mail daily to check for any updates or instructions from the university. Act quickly and follow-up with any instructions or information given.

FYI: Renew your FAFSA in October of previous year.

March

- Continue to communicate with the university and follow up with any updates and/or instructions given, especially regarding transfer orientation and registration for the fall semester.

May

- Graduate at LC. Commencement ceremony will be held, and you are welcome to participate.
- Request your final official LC transcript via your PASPort account. You can ask LC to send document to your university via mail, or you can collect transcript in person at the Office of the Registrar and Admissions and submit in person to your university (if permissible).

July

- Continue to communicate with the university and follow up with any updates and/or instructions given.
- Follow up with any other details regarding your living accommodations, bookstore purchases, etc.

February

- Apply for graduation via <https://www.laredo.edu/cms/applyforgraduation/> by or before March 1.
- Continue to review your e-mail daily and follow up with any updates and/or instructions you receive from the university.

April

- Continue to communicate with the university and follow up with any updates and/or instructions given.

June

- Continue to communicate with the university and follow up with any updates and/or instructions given.
- Attend transfer orientation and register for your fall courses at the university (if possible).

August

- Begin your first semester at the university.
