The screenshot shows the SAP Concur App Center interface. At the top, there's a navigation bar with 'SAP Concur' and tabs for 'Requests', 'Travel', 'Expense', 'Approvals', 'Reporting', and 'App Center'. The 'App Center' tab is selected. Below the navigation bar, there's a search bar labeled 'Find Apps...' and a 'Search' button. The main content area displays the TripIt app card. The card features the TripIt logo (an orange circle with a white 'i' and a blue circle with a white 't') and the text 'TripIt An easier trip, every time'. To the right of the logo, there's a green checkmark and the word 'Connected'. Below this, there's a blue button labeled 'Disconnect'. The card also contains a detailed description of the app's features, including a list of benefits like 'Sends real-time flight alerts', 'Helps you find a better seat', 'Finds alternate flights', 'Reminds you when to check-in', 'Tells you to "Go Now" to the airport', 'Sends terminal and gate reminders', 'Shows security wait times', 'Navigates you through the airport', 'Guides you to your connecting gate', 'Provides country-specific travel info', 'Updates people on your travel plans', and 'Offers discounted partner perks'. At the bottom of the card, there's a note: '*You may receive TripIt Pro benefits complimentary through your company. Connect to learn more.' Below the card, there's a section titled 'To get started, click "login to connect" and follow the instructions to create an account or sign in. Then, download the TripIt app and start forwarding your confirmation emails to plans@tripit.com.' Below this, there's a 'Please note: TripIt's user interface is in English.' and a 'Read Less' link. At the bottom of the page, there's a section titled 'Visit our Website | Watch a Demo | Brochure | Support' and a row of five smartphone screens showing various TripIt app features: 'Organize all your travel plans in one place', 'Instantly create master trip itineraries', 'Access important information, even when you're offline', 'Get real-time flight alerts throughout your trip', and 'Find out when to leave for the airport'. Below this row, there's a section titled 'Works with these Concur Offerings:' with a list: 'Travel - Standard', 'Travel - Professional', and 'TripLink'.
