**ADDENDUM I**

**RFQ Title: Facilities Master Plan Services**

To participants who are interested in the RFQ#24-0109

**1. Addendum response to questions:**

**Question 1:** Does the Facilities Master Plan encompass both the Fort McIntosh and South Campus or is it focused on just one campus?

**Answer:** For both Campuses

**Question 2:** There was no mention of a HUB SubContracting, will that be required, and what would be the subcontractor goal?

**Answer:** We don't require HUB Subcontracting

**Question 3:** Do you require a list of recent projects from each sub-consultant? i.e. Structural Engineer, Mechanical Engineer, Civil Engineer? Or just from the Architectural firm(s)? If you require projects from each sub-consultant, it might be difficult to fit all of this information within the 35 page limit.

**Answer:** We are requesting a list only.

**Thank You,**
