¹ Students are highly encouraged to register during this time period to avoid long wait times, delays and limited course offerings. Registration processed after the registration period will incur a late fee and may require same-day payment depending on the day of activity.

² Payment and payment plans can be processed online via Passport. LC offers emergency loans based on availability of funds; emergency loan applications are available at the Office of Financial Aid at either campus. Emergency loan funding will be available beginning July 18. To have an emergency loan processed by the payment deadline, applications must be submitted by 4:30 pm on the day payment is due; the same applies for Veteran's benefits, third-party contracts and exemptions.

³ Advising and registration for Fall will close but registered students may make changes to their Fall schedule until the ORD (see footnote³ for more information). Advising and manual registration continues for Second Start Fall.

⁴ Schedule changes may incur additional fees and be subject to the refund schedule. Course or section changes may require Instructor or Department Chair approval. Changes to the total number of registered hours may impact your financial aid award; please consult the Financial Aid office for more information.

⁵ Online registration for Second Start Fall will close at 5pm; registration for Second Start Fall continues and will need to be processed manually either in-person at the Office of the Registrar & Admissions or online via a registration request form. See website for details.
