

APPLY TEXAS

APPLICATION INSTRUCTIONS

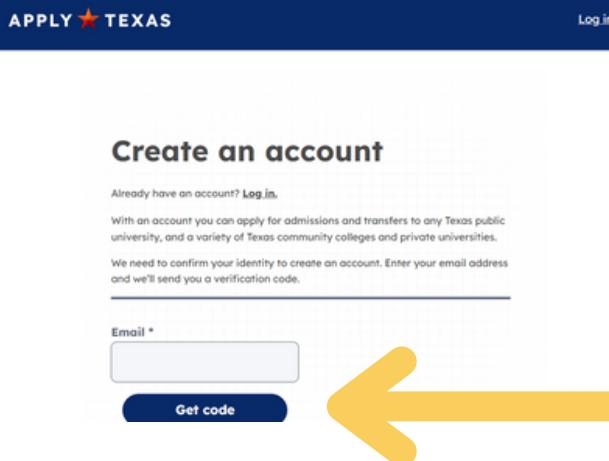

1) Visit [WWW.APPLYTEXAS.ORG](http://www.applytexas.org)

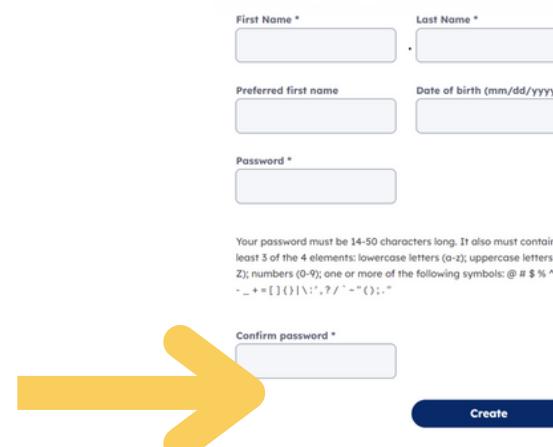

2) Create your account by clicking on **CREATE A FREE ACCOUNT**.

3) Include your personal email and click **GET CODE** (a separate email will be sent to your account for verification).

4) After receiving your confirmation code, complete the rest of your profile & click **CREATE**.

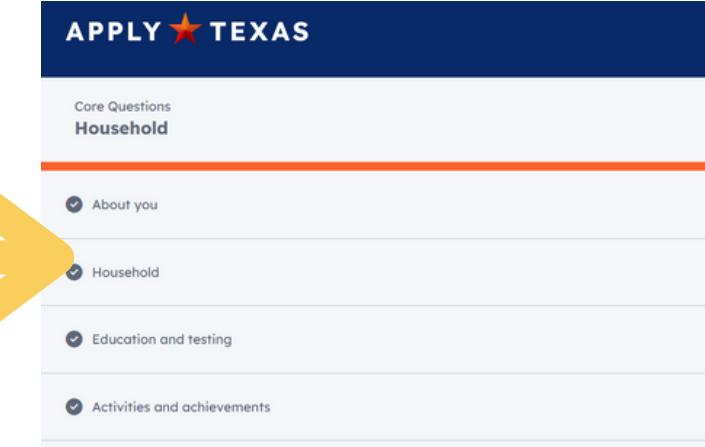

5) Once you complete your new profile, **SIGN IN** with your new credentials to complete **PART A & B** of the application.

6) Answer the next four questions to find the right application, complete all sections of **CORE QUESTIONS** (About You, Household, Education & Testing, Activities and Achievements). Complete all sections marked with an asterisk (*).

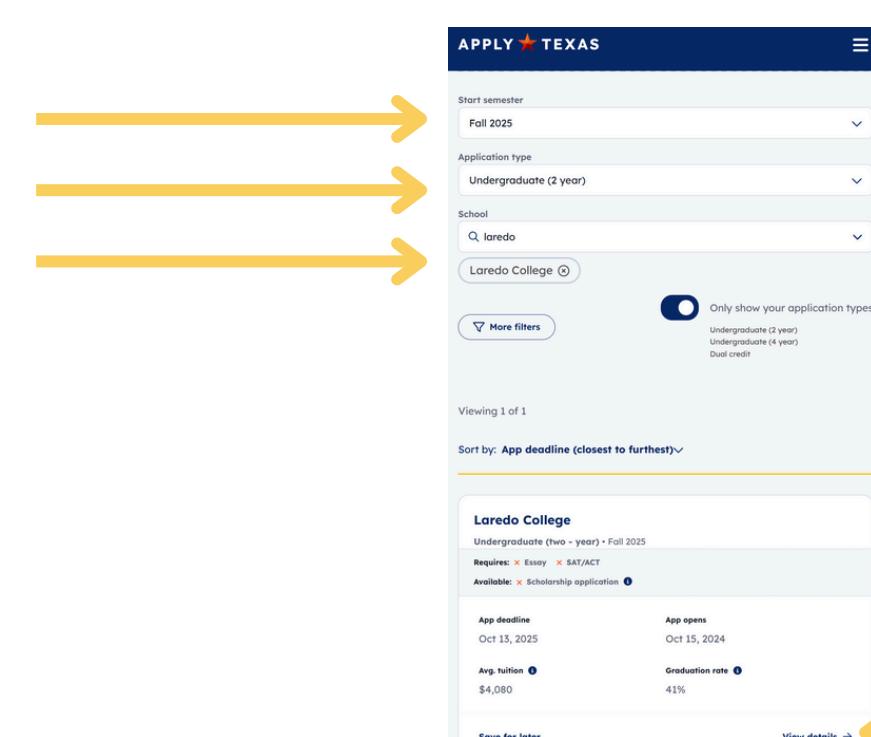

Tip: Please **ADD** your parent's or guardian's information under the Household Core Question section.

07) Once the **CORE QUESTIONS** sections are complete, a **GREAT JOB!** message should appear. Then, click **SEARCH FOR SCHOOLS** for part B of the application.

08) Select the semester of interest, the Application Type, and the school's name. Then, click **VIEW DETAILS**.

Final Step

Click on **START YOUR APPLICATION**, Select the semester of entry, your Major, and complete the **School-Required questions. No ESSAY**. Review your information, click **NEXT**, check the small boxes, and **SUBMIT**.
