

STATEMENT OF COST AND POLICY

STUDENT FINANCIAL AID

Laredo College

2025-2026 Estimated Budget - The estimated cost of attendance for full time undergraduate student attending Laredo College during 2025-2026 academic year is detailed below. Tuition and fees represent 30 semester credit hours (SCH) for Fall/Spring, as currently approved by LC District Board of Trustees.

Students classified as dependent on their FAFSA application are assigned at-home budget, which accounts for expenses associated with living at home while attending college. Conversely, students classified as independent on their FAFSA application are assigned an off-campus budget, reflecting expenses related to living off-campus. We understand that individual circumstances may vary, and the assigned budget might not accurately reflect a student's actual situation. Therefore, students have the option to appeal for adjustments to their cost of attendance through the Financial Aid office.
