¹ Students are highly encouraged to register during this time period to avoid long wait times, delays and limited course offerings. Registration processed after the registration period may incur a late fee and may require same-day payment depending on the day of activity.

² Advising and registration for Maymester will close but registered students may make changes to their Maymester schedule until the ORD (see footnote² for more information). Advising and registration continues for Summer I, Summer II, Fall and Second Start Fall.

³ Payment in full can be processed online via Pasport; there are no payment plans for summer terms. LC offers emergency loans based on availability of funds; emergency loan applications are made available at the Office of Financial Aid at either campus. To have an emergency loan processed by the payment deadline, applications must be submitted by 4:30 pm on the day payment is due; the same applies for Veteran’s benefits, third-party contracts and exemptions.

⁴ Schedule changes may incur additional fees and be subject to the refund schedule. Course or section changes may require Instructor or Department Chair approval. Changes to the total number of registered hours may impact your financial aid award; please consult the Financial Aid office for more information.

⁵ Advising and registration for Summer I will close but registered students may make changes to their Summer I schedule until the ORD (see footnote⁵ for more information). Advising and registration continues for Summer II, Fall and Second Start Fall.

⁶ Advising and registration for Summer II will close but registered students may make changes to their Summer II schedule until the ORD (see footnote⁶ for more information). Advising and registration continues for Fall and Second Start Fall.
