Tuition and fees are calculated on the basis of a student’s residency, semester hour load, special course fees, and special activities. All tuition and fees are subject to change by action of the Laredo College Board of Trustees. The column on the right details tuition and fees at the institution.

Other institutional charges such as laboratory fees and student liability insurance fees may apply to some, but not all students. Some of the institutional charges are listed below.

### Differential Fee
A $60.00 charge per semester credit hour is applied to all on-campus and online courses that a student repeats for a third time or more and to all developmental courses that a student takes after attempting 18 semester credit hours of developmental coursework.

### Late Registration Fee
A $10.00 fee is charged to a student who registers during the late registration period as designated by the institution.

### Add/Drop Fee
A $10.00 processing fee is applied to all add and/or drop course transactions made on or after the first class day of the semester.
Payment Options/Refund Policy

Students are required to pay all tuition and fees in full by the payment deadline for the semester in which they enroll for classes. Students who fail to meet payment deadline are not considered registered for courses. The following details payment options available at the institution.

Payment with Financial Aid (Grants, Scholarships, Loans)
Visit www.laredo.edu/financialaid to inquire when your tuition will be paid after you have been awarded your financial aid package and/or scholarship. Once your award has been authorized, students will need to review financial aid award and account summary via PASPort to confirm financial aid payment. For further assistance send an email to finaid@laredo.edu.

Payment in Full (Self Pay)
Students paying by credit card will need to log in to their PASPort account and make full payment online using a credit card. Students can submit an e-mail request to bursaroffice@laredo.edu to request an in-person appointment to pay with cash or check. Students will be required to submit a completed COVID-19 questionnaire before an in-person appointment is approved. Students paying by check can also mail payments to the Bursar’s Office and include student name and student ID number on check. Checks should be made payable to Laredo College and mailed to Laredo College (Attn: Bursar’s Office) West End Washington St. Laredo, Texas 78040. Payments will be processed upon receipt and may take up to 5 business days before reflecting on student accounts. Students must ensure that checks are mailed at least 7 business days prior to published payment deadlines. Students need to follow-up with Bursar’s Office at bursaroffice@laredo.edu to confirm that mailed payment has been processed by the published payment deadlines. Temporary checks and third-party checks will not be accepted processed. All returned checks will be assessed a $15.00 fee.

Payment with Veteran Benefits
Email the Veterans Affairs Center at veterans@laredo.edu to discuss and determine your payment eligibility.

Payment with Sponsorship
Email sponsorship document(s) to the Bursar’s Office at bursaroffice@laredo.edu or fax to (956) 721-5158 by the published payment deadline, but no later than the 4th class day (census date) of the semester.

Payment with Exemptions or Waivers
Email exemption or waiver documentation to the Bursar's Office at bursaroffice@laredo.edu or fax to (956) 721-5158 by the published deadline, but no later than the 4th class day (census date) of the semester. Go to www.collegeforalltexans.com for additional information on tuition and/or fee exemptions.

Refund Policy
A percentage of tuition and fees may be refunded to students who withdraw all or individual courses before the start of or during a semester. A $15.00 matriculation fee charged to all students is not refundable, except for students who are completely cancelled for non-payment. Refunds are based on semester days and not on days a specific course is scheduled to meet. Students who withdraw courses and owe money as a result are expected to pay balance in full. (Withdrawing courses does not cancel indebtedness). For tuition payments paid by check, refunds are made by check after the last refund date. For tuition payments paid with credit card, refunds will be credited to the card used for payment after the last refund date or upon student’s request. Students receiving financial aid may be subject to a different pro-rata (Title IV) refund schedule.

The following is a summary of refunds available to students based on the date of complete withdrawal or reduction in semester credit hours. (Refer to the College Catalog for more details.)
