Students authorized to be absent from a final examination receive a grade of F\* on their transcript until they take the final examination. Such students must take the final exam within four months. Final exams cannot be re-taken

**Other Policies (LCC and State-Wide)**

A. 3-peat—The State of Texas will not fund a student who takes a class for the third time. This means that if a student signs up for a class for a third time, even if he/she dropped or failed it before, the State will not provide funding for that student and the student may be required to pay extra.

B. 6 W's—Beginning Fall 2007, students cannot drop more than 6 classes throughout their whole college career. Any drops after that will become F's. This includes all the years in college, not just LCC. So, for example, if a student drops 4 classes at LCC and then goes on to a 4-year university, such as TAMIU, and he/she drops more than 2, the extra ones will be F's and not W's.

D. Finishing on time—The State expects students to graduate on time (2 years for a 2- year degree, 4 years for a 4-year degree). Students who take longer to finish may be required to pay out-of-state tuition.

**SPECIAL SERVICES CENTER**

The student with disabilities, including learning disabilities, that wishes to request special accommodations in this class should notify the Special Services Center (located in P-41) at 956-721-5137. The request should be made early in the semester so that the appropriate arrangements may be made. In accordance with Federal Law, a student requesting accommodations must provide documentation of his/her disability to the Special Services Counselor. For additional information, visit the Special Services Center at:

Special Services Center

Location: P-41

	<p>Financial Aid  Location: P-24  Phone Number: 956-721-5361</p> <p>The student who needs note-taking and/or test-taking accommodations must notify the faculty member prior to the first exam.</p> <p>A pregnant student is required to meet all course/ program outcomes including attendance. As a point of information, the pregnant student is reminded of the many contaminants present in the clinical area(s) that could adversely affect the fetus. It is advisable for the student to contact her obstetrician, once the pregnancy has been confirmed, to ensure that there are no medical concerns/limitations.</p>
<p>GRADE APPEAL</p>	<p>A student who wishes to question the final grade earned in a course or a grade earned in a class activity should first discuss the situation with the instructor of record who issued the grade. If the issue is not resolved, the student should contact the appropriate Department Chairperson to request a review of the grade. If the student is not satisfied with the Department Chairperson's decision, the student may contact the appropriate Dean of Instruction for assistance related to the grade appeal. Established departmental procedures will be utilized to resolve student grade questions. If necessary, the student may request a review by the Vice-President for Instruction after all other avenues have been exhausted for the review of the grade. Student grades are an academic matter; therefore, there is no further appeal beyond the Office of the Vice-President for Instruction.</p> <p>Students, who think that the final course grade is unfair, have two weeks (10 working days) after the grade is issued to appeal the grade. Students who think that a grade earned in a class activity is unfair have one week (five working days) after the grades are issued to appeal the grade. Exceptions require the approval of the Vice-President for Instruction.</p>

e. Substitution for another student, or permitting another student to substitute for oneself, to take a test or prepare other academic work.

f. Bribing another person to obtain an unadministered test or information about an unadministered test.

C. **Plagiarism** means the appropriation of another's work and the unacknowledged incorporation of that work in one's own written work offered for credit.

D. **Collusion** means the unauthorized collaboration with another person in preparing written work offered for credit.

(2) Procedures for discipline due to academic dishonesty shall be the same as in student disciplinary actions, except that all academic dishonesty actions shall be first considered and reviewed by the faculty member. If the student does not accept the decision of the faculty member, he/she may appeal the decision to the appropriate Department Chairperson, Dean of Instruction, or the Vice President for Instruction and Student Development. ## EMERGENCY PROCEDURES

**LCC Alert System:** Safety and security for LCC is paramount. When an emergency arises, LCC wants to provide students with information as rapidly and as efficiently as possible. Students must register for the LCC Alert system at [www.laredo.edu/lccalert](http://www.laredo.edu/lccalert)

**Fire:** Upon activation of the alarm, you will quietly and calmly exit the building from the nearest exit. Once everyone has gathered, at a predetermined or arranged site, a roll call shall be taken to ensure everyone is out of the building. If the building is on fire, no one should be near it to allow firefighting equipment and emergency vehicles to access the building. Additionally, building that may have chemicals, paints, or aerosol cans may have explosions that could be dangerous to anyone near the building.

No one should re-enter the building until an “**All Clear**” has been given. The “All Clear” shall be determined by a senior campus official in cooperation with the incident commander from the responding agency.

PLEASE NOTE: The Science buildings do contain several types of biological and chemical agents. Some of these agents are in large quantities, while some are considered dangerous to human health through contact to skin, if fumes are inhaled, etc. The buildings should be placed to warn responding emergency personnel if they should put on SCBA or wear “HAZ-MAT” mat suits in lieu of or over turnout gear.

**Injury, Person Down, Illness, Stalking or Theft:**

Call the Campus Police (Main 721-5303; South 794-4303 or 111 Emergency) and/or the campus nurse (Main 721-5189; South 794-4189) to alert emergency personnel. Give the location of the person and briefly describe the person’s condition. If the person is not breathing or does not have a pulse, call 9-911 to alert the City of Laredo emergency services. For serious injury, illness, heart attack etc., call to 111 from any Campus phone or 911 from your personal cell phone. A back up call should be made to the Campus Police and the Campus Nurse. They may be able to arrive on the scene quicker than the EMT’s and City police. Reminder to give instructions to the nearest entrance to your campus building, thus saving time for emergency personnel.

**Assault:** Call the Campus Police (Main 721-5303; South 794-4303 or 111 Emergency) and 9-911 to alert the City of Laredo

	emergency services. For any possible threats to life or property from criminal acts call Campus Police. Please remember that after hours they operate on a limited staff basis.
