Other Policies (LCC and State-Wide)

A. 3-peat—The State of Texas will not fund a student who takes a class for the third time. This means that if a student signs up for a class for a third time, even if he/she dropped or failed it before, the State will not provide funding for that student and the student may be required to pay extra.

B. 6 W's—Beginning Fall 2007; students cannot drop more than 6 classes throughout their whole college career. Any drops after that will become F's. This includes all the years in college, not just LCC. So, for example, if a student drops 4 classes at LCC and then goes on to a 4-year university, such as TAMIU, and he/she drops more than 2, the extra ones will be F's and not W's.

C. Finishing on time—The State expects students to graduate on time (2 years for a 2-year degree, 4 years for a 4-year degree). Students who take longer to finish may be required to pay out-of-state tuition.
