Student Installation of Respondus LockDown Browser (LDB)

Please follow the steps below to install the LDB program. Click on the following link **http://www.respondus.com/lockdown/downloadc.php?id=655212977** to install the LockDown Browser.

Step 1. View the video that provides a brief explanation of Lockdown Browser.

Step 2. Click on the "**Install Now**" button; a dialog box will appear providing the option to save the file. Click "**Save File**".

Step 3. The installation file will download to your "**Downloads**" folder. Depending on the internet browser, the file will appear automatically. If not, access your "**Downloads**" folder and double click on the file titled "**LockDownSFX.exe**".

Step 4: A dialog box will appear with the option to click "**Run**".
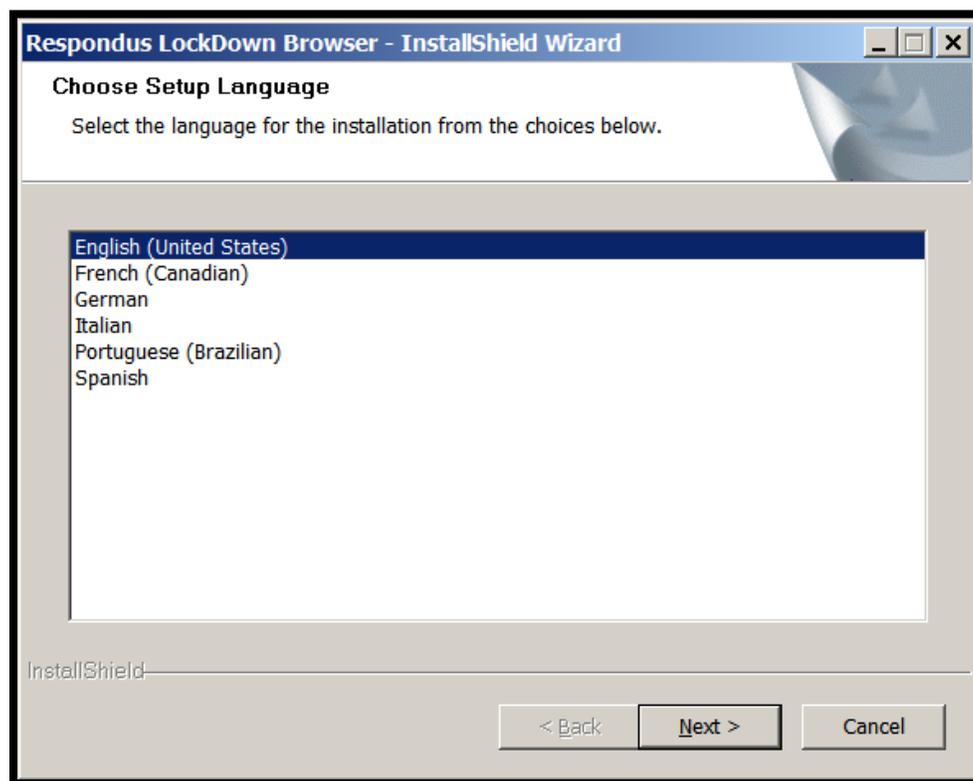

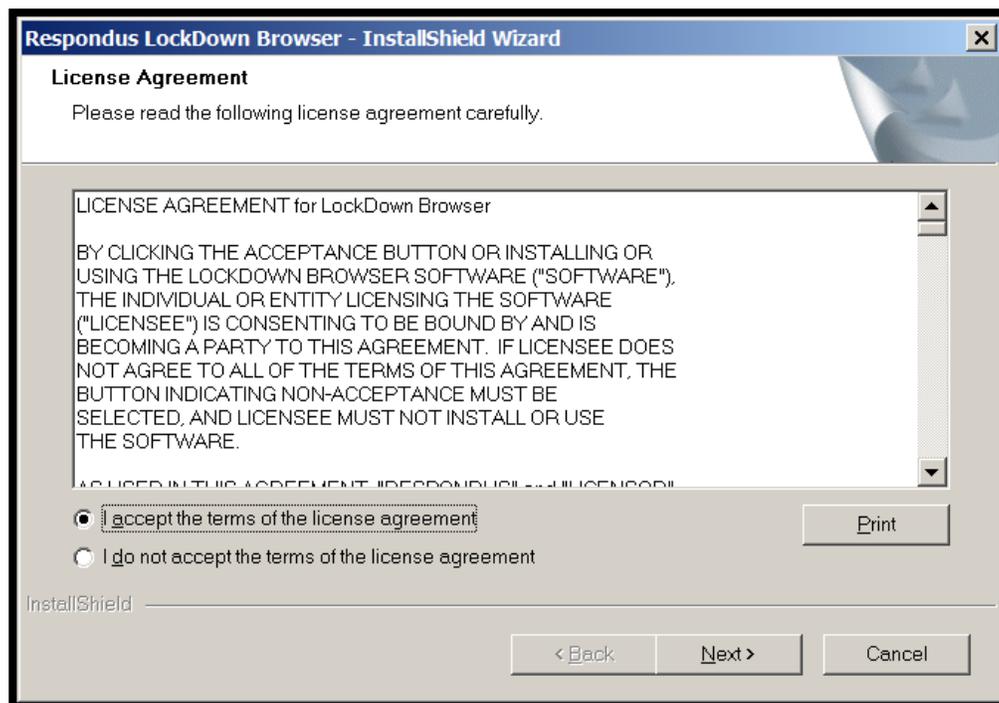

Open File - Security Warning

Do you want to run this file?

Name: ...sers\pcanales9919\Downloads\LockDownSFX-107-00.exe
Publisher: **Respondus, Inc.**
Type: Application
From: C:\Users\pcanales9919\Downloads\LockDownSFX-107-00...

[Run]   [Cancel]

☑ Always ask before opening this file

While files from the Internet can be useful, this file type can potentially harm your computer. Only run software from publishers you trust. What's the risk?
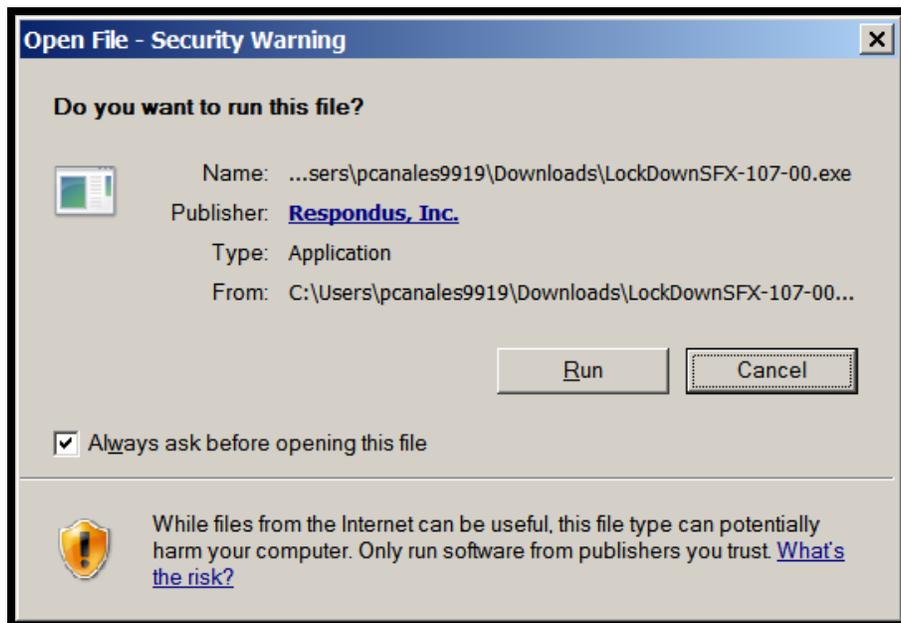

Step 4. Select "**English**" from the language list and click "**Next**".

Respondus LockDown Browser - InstallShield Wizard

Choose Setup Language
Select the language for the installation from the choices below.

English (United States)
French (Canadian)
German
Italian
Portuguese (Brazilian)
Spanish

InstallShield

[< Back]   [Next >]   [Cancel]

Step 5. Accept the license agreement and click "**Next**".

Step 6. Click "**Finish**" to complete the installation.
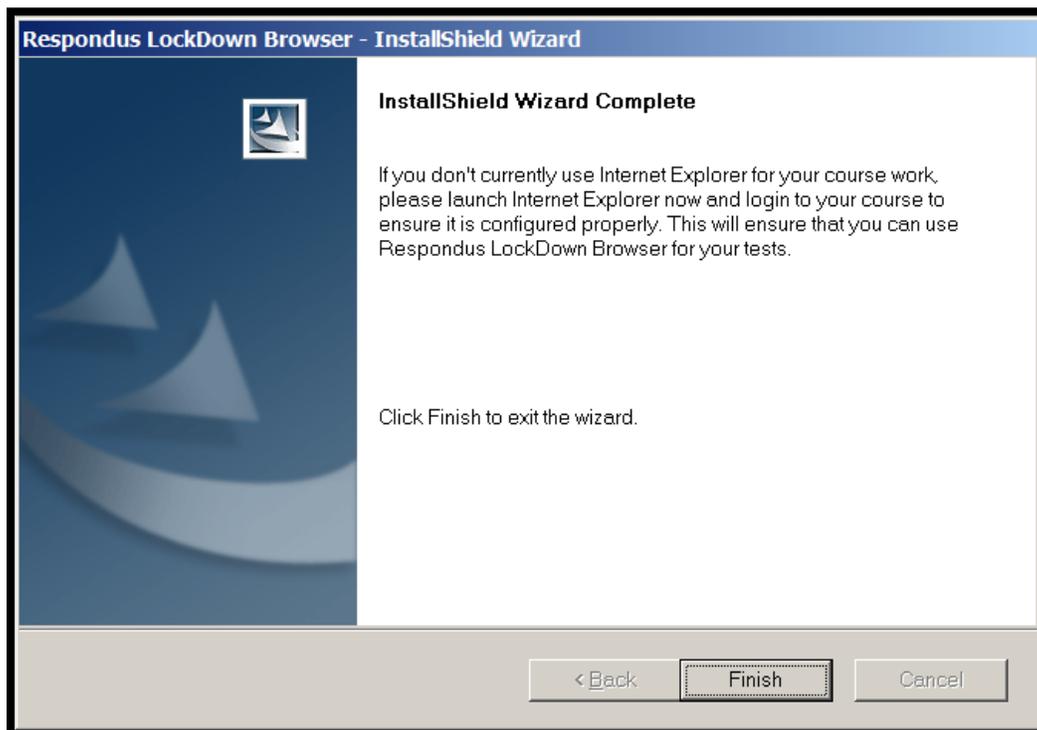

Step 7. Once installed, locate the LockDown Browser icon on your desktop and start the application.

Your Canvas login screen will appear.
