

Engineering, Design, & Construction Management Technology in Collaboration with Texas A&M International University

Engineering Scholarship Application

The Engineering, Design, and Construction Management Technology department is an amalgamation of different workforce and academic programs meant to collaborate and facilitate students' transition into their careers and higher education.

Who is eligible: Students who are planning to transfer to TAMIU into the systems engineering/computer science engineering program can apply for this scholarship.

Eligibility Requirements

- ◇ Must be a current Laredo College student who is majoring in engineering
- ◇ Must plan on transferring to TAMIU
- ◇ Must have passed their TSI exams
- ◇ Must have a complete FAFSA application
- ◇ Student must be advised by assigned individuals

Re-application is needed every new semester

Application Process

1. Ensure you have been admitted into the college
2. Complete your FAFSA application
3. Declare your major as "engineering technology"
4. Submit a complete application form as well as copies of proof to EDCMT@laredo.edu

Incomplete applications will not be accepted

Selection Process and Considerations

Students interested and who have submitted a complete application will be eligible to receive a \$1,000 scholarship at the end of a full-term semester (16 weeks). Students with a complete application will then be scheduled to interview with a department scholarship committee and present their progress within the program.

Some factors the committee will take into consideration:

- First-generation college student status
- Student involvement in department and/or extra-curricular activities
- GPA, good academic standing, and progress/improvement
- Financial need

The Department of Engineering, Design, & Construction Management Technology

Our department aims to serve students majoring in:

- Engineering
- Engineering Surveying
- Engineering Technology
- Computer-Aided Drafting
- Construction Management
- Visual Arts

Visit us for advising, registration, department activities, and more.
Our office is located in the Visual and Performing Arts Center room 128.
