

2024-2025 Program Application

Priority Deadline: Friday, December 15, 2023

ADVANTAGES

Our program is designed to help students majoring in a **STEM (Science, Technology, Engineering, and Mathematics)** field to overcome various academic and financial barriers by providing them with:

- ✓ Paid Summer Programs
- ✓ School Supplies
- ✓ One to One Advising for Fall 2024
- ✓ Workforce Workshops (Resume Building, Interview Preparedness)
- ✓ Scholarship/Stipend/Internship Opportunities
- ✓ Optimal Wellness & Emotional Resilience Workshops

APPLICATION CHECKLIST

The following must be received by the LEAPS POWER Office located at Cigarroa Science Complex, Room D108 or B308 before eligibility is considered:

- ___ Completed LEAPS POWER Application
- ___ Official High School Final Transcript or GED Certificate
- ___ Copy of SAT, ACT, or TSI scores
- ___ Recommendation form
- ___ FAFSA confirmation email
- ___ Have a declared STEM major
- ___ Meet Interview Requirements

Visit the LEAPS POWER website by using the QR code below

WHY LEAPS POWER?

As a participant in the LEAPS POWER Program, students are given the opportunity to:

- Participate in activities that develop analytical, research and professional skills
- Participate in educationally enriched activities and field trips
- Participate in Internships
- Receive the appropriate pathway mentoring and advising from faculty and other professionals in the STEM-related fields.
- Priority Class Enrollment for faster graduation/transfer

ELIGIBILITY REQUIREMENTS

- Be a US Citizen or Legal Resident
- Must be pursuing a degree in the **STEM** fields
- Have an 80% or 2.5 High School GPA
- Have met all the LC Entrance Requirements
- Full-time LC student in fall 2024 (12 credit hours or more)
- Complete FAFSA application on file
- **Preference** will be given to students that are TSI complete in all areas
